

**POLIFIBRA 2011 SPA acquired the assets of “Polifibra in liquidation” on December 14<sup>th</sup> 2012,**

Ritrama Spa announced that Polifibra 2011 S.p.A. acquired on December 14<sup>th</sup>, 2012 the assets of Polifibra in liquidation. This following the Monza court decree released on July 10, 2012.

Such assets, originally rented from Polifibra in liquidation to Polifibra 2011 S.p.A. on March 21st, 2011, are now full property of the latter.

**The Company maintain the name “Polifibra 2011 SpA” - VAT number IT 07370270964, Agrate Brianza company register n.r. R.E.A. MB 1876710 - with legal entity in “Via Fabio Filzi 81, 20864 Agrate Brianza” since April 2011.**

**Ritrama confirms Mr Brombini as General Manager and Mr Simone Piana as Sales Director of Polifibra 2011 Spa.**

Polifibra 2011 Spa, even if as stand-alone company, should be considered as fifth division of the Ritrama Group and will continue the production and commercialization of shielding tapes for cable industry, flexible electrical insulation materials for motors and transformers, special laminates for construction industry, and laminates for other applications, including thermal insulations, PV module backsheets, creasing matrix, sails, etc.

This acquisition creates a solid value proposition to continue and expand the “old Polifibra” businesses worldwide, thanks to the abroad divisions of Ritrama and the consolidated Group network in Germany, France and United Kingdom.

Some significant synergies have already been achieved activated in the development of new products and new markets, thanks to the competence and capabilities of both companies in self adhesive laminates and special laminates.
